City of Chilliwack

Attn: CDI Committee 8550 Young Road Chilliwack, BC V2P 8A4

On behalf of the Chilliwack Pride Society, I am writing to respectfully submit our application for the City of Chilliwack's CDI Funding. We are seeking your support for the **Chilliwack Pride Festival 2025**, a vibrant and inclusive community celebration scheduled for July 13, 2025, in the heart of downtown Chilliwack, Central Community Park.

The Chilliwack Pride Festival is more than a celebration, it is a platform for community connection, diversity, and belonging. Last year, our annual event welcomed over 25,000 attendees from across the Fraser Valley and beyond, showcasing the rich cultural diversity and resilience of 2SLGBTQIA+ communities. It features local artisans, live entertainment, educational resources, family-friendly activities, and partnerships with over 60 community organizations and small businesses.

Our Goals:

- Foster inclusivity and civic pride by creating a safe, joyful space for individuals of all backgrounds to connect.
- Strengthen community partnerships through collaboration with local nonprofits, service providers, and Indigenous groups.
- Promote economic development by drawing tourism and foot traffic to the downtown core.
- Offer accessible public programming that reflects the City's commitment to diversity and community well-being.

To ensure the event remains free and accessible to all, we rely on sponsorships, grants, and community donations. Funding from the CDI would be instrumental in supporting costs related to site logistics, accessibility services (such as ASL interpretation and mobility accommodations), insurance, audio equipment, security and more.

Funding Request: We are requesting \$5,000 to help cover core operational and accessibility-related costs. A full budget breakdown is included with this letter.

We believe this festival aligns closely with the City of Chilliwack's strategic goals for community engagement, social inclusion, and economic vibrancy. Your investment in this event is an investment in building a welcoming and resilient city for everyone.

Thank you for considering our application. We would be honored to partner with the City in making Chilliwack Pride Festival 2025 the most inclusive and impactful yet. Please do not hesitate to contact us should you require any additional information.

Warm regards,

Hayley Tarrant
