My name is Aris van de Loosdrecht, I live at 50616 Yale Road, Rosedale, V0X 1X2, we have lived here for 15 years. I am in complete disagreement that a cannabis store may be opening in our community. This is not something that most Rosedale residents are in favor of, where would their customers be coming from, our children. Please let me know whatever I can do to show opposition to this application.

Thank you,
