We are writing in support of the rezoning application to allow for a Cannabis Retail Store located at 51296 Yale Road.

We currently reside at 52743 Stonewood Place, Rosedale BC. Our entire home of 4 legal aged adults support the application. Our understanding is the retail company that will occupy the newly renovated space already has a well run, trouble free operation located in Vedder.

This new location will make a welcome addition to the retail spaces in our community and breathe new life into an area in dire need .
