

Re: 51296 Yale Rd, Rosedale, BC

I am writing this letter in support of the Dutch Brothers Cannabis store to be located at 51296 Yale Rd.

My name is Billi Jo Pike. I am a lifetime member of the Rosedale community and Cheam Band.

I am also a mother of 3 and Grandmother of 1. I have earned my Early Childhood Education Certificate from Nicola Valley Institute of Technology (2010) and my Social Services Diploma from University of the Fraser Valley (2013).

My oldest Son and his Fiancée have both earned their Early Childhood Education Certificates and they both work as education assistants and youth workers.

My daughter is a mother to 1 and her and her Fiancée both work as medics.

My youngest son lives at home and is on path to Graduate high school next year.

I have used various Cannabis products for both medicinal and recreational purposes.

My mother and adult children do as well.

We are all excited and in support of the store opening close to home.

Sincerely,

A handwritten signature in black ink that reads "Billi Jo Pike". The signature is written in a cursive, flowing style.
