To whom it may concern,

This email is in response to the letter we received in the mail about the City of Chilliwack's upcoming public hearing on April 4, 2023 regarding the temporary use permit (TUP00210); location 7442 Allison Pl.

We are a direct neighbour of the subject property. We support this application and have no objections to the approval.

Kind Regards,
Albert and Jannette Loosdrecht
