

District of Chilliwack

Bylaw No. 2231

A bylaw to provide for the regulation, connection and use of storm sewers

WHEREAS it is deemed necessary and expedient to regulate the operation and use of the Storm Sewer System of the *City* of Chilliwack; (*AB#3991*)

THEREFORE, the Council of the *City* of Chilliwack, in open meeting assembled, enacts as follows: (*AB#3991*)

1. This bylaw may be cited as "**Storm Sewer System Connection and Regulation Bylaw 1995, No. 2231**".
2. The "Storm Sewer System Connection and Regulation Bylaw 1988, No. 1162" and amendments thereto, are hereby repealed.
3. INTERPRETATION:

In this bylaw, unless the context otherwise requires, the following definitions apply:

"Council" shall mean the Council of the *City* of Chilliwack; (*AB#3991*)

"City" shall mean the *City* of Chilliwack; (*AB#3991*)

"Engineer" shall mean the *Director of Engineering* of the *City* of Chilliwack or ~~his~~their designate; (*AB#3991*)

"Person" shall mean any individual, firm, company, association, society, corporation or group;

"Service Connection" shall mean the pipe connecting a Storm Drain to the Storm Sewer System;

"Sewage" shall mean water carrying wastes from residences, commercial buildings, institutions and industrial establishments but shall exclude storm water;

"Storm Drain" shall mean a building drain and/or a site drainage system that conveys storm water;
