RE: Rezoning Application – 46225 Strathcona Road

The requirements of “Public Hearing/Public Information Meeting Procedural Bylaw 2004, No. 3004” have not been met for RZ001654 as the applicant did not attach the Public Hearing decal to the rezoning sign at least 7 days prior to the Public Hearing for this application.

As such, Staff request that RZ001654 be removed from the May 2, 2023 Council meeting agenda, and that a Notice of Public Hearing be called for May 16, 2023.

Sincerely,

Erin Leary
Manager of Development Planning
