Dear Lenica & Wade,

I am writing to express my approval of your house expansion plans. As your neighbor, I understand the desire to have more space and I think it is a great idea to expand your home.

I have noticed that the expansion will bring the house closer to the street than it currently is. While I understand that this may be necessary in order to accommodate the additional space, I just wanted to express my support and assure you that I do not have any concerns about the new proximity to the street. I am confident that the expansion will not only benefit your family, but also enhance the appearance of our neighborhood.

I have no doubt that the construction process will be conducted professionally and with minimal disruption to our daily lives. Please do not hesitate to reach out to me if you have any questions or concerns during the expansion process. I am happy to help in any way that I can.

Sincerely,
