

I, Daniel Viljoen, owner of the property located at 8404 Chilliwack Mountain Road in Chilliwack, British Columbia, affirm that I am of the personal opinion that the 10m landscape area/buffer described in Section 13.12, subsection 10(c) of the "ZONING BYLAW 2020, 5000" document found on the City of Chilliwack website is unnecessary and that I would be in favour of waiving this requirement.
