- (i) The proportion of revenues represented by property taxes should be the difference between all other collections and total revenues required.
- (ii) The objective is to balance the budget each year with reasonable tax levies.
- (iii) To maintain a reasonable tax burden, the City will continue to review and collect user fees and charges at appropriate levels.

b) Parcel Taxes

- (i) Parcel taxes shall be used on a limited basis, and be for initiatives that are not for the benefit of the entire community. The proportion of revenues represented by parcel taxes should be zero.
- (ii) The objective is to use other sources of revenue rather than parcel taxes.

- (i) Fees should be charged on a cost recovery basis as much as possible, with the exception of subsidized activities. The proportion of revenues represented by fees will vary depending on the levels of services for which fees are charged.
- (ii) The objective is to recover costs related to commercial activities and partially recover costs related to youth activities.

d) Other Sources

- (i) The proportion of revenues represented by other sources shall be the percentage represented by those revenue sources as anticipated for the year.

Any tax increases will be applied uniformly to each property tax class, as to maintain the current tax multiples as closely as possible.
- b) Property tax distribution should be consistent from year to year with the exception of the effect of new growth and legislative changes.

3. Use of Permissive Tax Exemptions

- a) Permissive Tax Exemptions should be considered in accordance with Council's Permissive Tax Exemption Policy. The City will also continue to offer a Revitalization Tax Exemption in accordance with Revitalization Tax Exemption Bylaw No. 3012.
- b) The objective of the Permissive Tax Exemption is to provide assistance to community organizations performing activities that the City would otherwise provide while the objective of the Revitalization Tax Exemption Bylaw is to stimulate redevelopment of the aging downtown area.
