Dear Mayor and Council,

I am writing to you in support of the Rezoning (RZ001634) and Development Permit (DVP02274) applications for the redevelopment of property on 45835 Spadina Avenue, with the purpose of building affordable housing for seniors, low-income families, and individuals with mobility challenges. I believe this project will deliver direct benefits throughout the broader Chilliwack community by providing adequate and affordable housing to our community members.

Sincerely,

Bill Soutar
