Attn: Chilliwack Mayor and City Council Members

Dear Mayor and Council,

I am writing today to provide a formal statement of support of the Rezoning (RZ001634) and Development Permit (DVP02274) applications for the redevelopment of our property at 45835 Spadina Avenue. As you know, we intend to build affordable housing for seniors, low-income families and individuals with mobility challenges. Cheam View United Church is delighted to have partnered with Mamele'awt Qweesome Housing Society as we know that this project will help bring vital affordable housing options for many of our community members who struggle in meeting their housing needs. This development will provide direct benefits throughout the broader Chilliwack area by providing adequate and affordable housing to community members.

Sincerely,

Laura Hermakin

The Rev. Dr. Laura J Hermakin (she/her), Lead Minister
