Dear Mayor and Council,

I am writing to you in support of the Rezoning (RZ001634) and Development Permit (DVP02274) applications for the redevelopment of property on 45835 Spadina Avenue, with the purpose of building affordable housing for seniors, low-income families, and individuals with mobility challenges. This project, a partnership between Cheam View United Church and Mamele'awt Qweesome Housing Society, will bring much needed affordable housing options for our community members who are struggling to meet their housing needs. I believe this project will deliver direct benefits throughout the broader Chilliwack community by providing adequate and affordable housing to our community members.

Thank you,

Douglas Rutley

Chair, Cheam View United Council
