Dear Mayor and Council,

I am writing to you in support of the Rezoning (RZ001634) and Development Permit (DVP02274) applications for the redevelopment of property on 45835 Spadina Avenue, with the purpose of building affordable housing for seniors, low-income families, and individuals with mobility challenges.

This project, a partnership between Cheam View United Church and Mamele'awt Qweesome Housing Society, will bring much needed affordable housing options for our community members who are struggling to meet their housing needs. I believe this project will deliver direct benefits throughout the broader Chilliwack community by providing adequate and affordable housing to our community members.

Warm regards,
Amber Price, MGC

The Book Man recognizes that it stands on the traditional and unceded territory of the Stó:lō Nation.

"The Stó:lō territory is comprised of twenty four First Nations that spans the area from Fort Langley to Yale BC and the territory is part of the Coast Salish region of southwestern British Columbia. The Ch-ihl-kway-uhk (Ts'elxweyeqw), one of the tribes of the Stó:lō, are the first people of Chilliwack river watershed in the Central Fraser Valley. "How many people know that the name of the town, river, valley and watershed - Chilliwack - comes from our tribes?" (Ts'elxweyeqw Tribe Chiefs 2017)
