**4. CURRENT ISSUES TO ADDRESS****5. NEW BUSINESS**

Adrian Reimer, Reimer's Nurseries Ltd., Owner, was present.

**a) ALR00397 – 4586 No. 3 Road**

The Manager of Development Planning provided a presentation regarding an application for a Non-Adhering Residential Use on the subject property 4586 No. 3 Road within the Agricultural Land Reserve (ALR). The information provided included the location map/ortho photo, proposal/factors, and recommendations.

The Agricultural Land Commission (ALC) permits one principal residence of 500m<sup>2</sup> or less and one 90m<sup>2</sup> additional residence on properties of 40 hectares or less. As the applicant is proposing to construct a 178m<sup>2</sup> residence in addition to the 139m<sup>2</sup> existing residence on the property, a Non-Adhering Residential Use (NARU) application is required.

Members commented on how this proposal will not have an adverse affect on farming as the new home will be on a previously developed area of the property.

Moved /     )     That the Agricultural and Rural Advisory Committee supports the Non-Adhering Residential  
Seconded / (     Use within the Agricultural Land Reserve for property located at 4586 No. 3 Road and  
recommends Council forward the application to the Agricultural Land Commission  
"with support".

Carried Unanimously

As part of the Committee's rationale, it was noted that the current agricultural operation supports the need for additional farm workers to be housed on site. In addition, the location of the proposed residence does not impact the existing land in active agricultural production.

Vice-Chair Westeringh withdrew from the meeting at 3:07 pm declaring a potential conflict of interest as the applicant with respect to the following application ALR00408 – 10505, 10639 & 10650 Bustin Road is a family member.

Isaac Keast, OTG Developments Ltd., was present.

**b) ALR00408 – 10505, 10639 & 10650 Bustin Road**

The Manager of Development Planning provided a presentation regarding an application for a boundary adjustment between 10505, 10639 & 10650 Bustin Road within the Agricultural Land Reserve (ALR). The information provided included the location map/ortho photo, proposal/factors, and recommendations.

**5. NEW BUSINESS (continued)**

The proposal is to complete a boundary adjustment to relocate the existing homesite at 10639 Bustin Road to the southeast corner of 10505 Bustin Road and consolidate the previous homesite into 10650 Bustin Road. If the proposed boundary adjustment is approved, this would increase the lot area of 10650 Bustin Road from 26.3ha to 26.77ha and reduce the lot area of 10505 Bustin Road from 8.8ha to 8.3ha; the lot area of 10639 will remain unchanged. The applicant has indicated that the proposed boundary adjustment will improve the agricultural viability of 10650 Bustin Road by removing the potential for residential development of the site and allowing the property to be farmed more cohesively in the future.

A query was raised regarding current and past property ownership; staff noted that the proposed boundary adjustment is the same as the previous application in 2009 which the ALC approved. The applicant did not complete the previously approved boundary adjustment at that time and is now reapplying with the same proposal. Members did not feel there was a detriment to agricultural production.

Moved / ) That the Agricultural and Rural Advisory Committee supports the proposed boundary  
Seconded ( adjustment within the Agricultural Land Reserve for properties located at 10505, 10639  
and 10650 Bustin Road and recommends Council forward the application to the Agricultural  
Land Commission “with support”.

Carried Unanimously

As part of the Committee’s rationale, it was noted that, as the proposal is consistent with a past application which was approved by the Agricultural Land Commission, the Committee had no concerns with renewing the proposal. In addition, the relocation of 10639 Bustin Road to the south end of 10505 Bustin Road will allow for better utilization of agricultural land by relocating the smaller lot from the centre of the farmable area.

Vice-Chair Westeringh rejoined the meeting at 3:12 pm.

Cassidy Silbernagle, OTG Developments Ltd., was present.

**c) ALR00409 - 10912 & 10918 Kitchen Road**

The Manager of Development Planning provided a presentation regarding an application for a boundary adjustment between 10912 & 10918 Kitchen Road within the Agricultural Land Reserve (ALR). The information provided included the location map/ortho photo, proposal/factors, and recommendations.

The property located at 10918 Kitchen Road is a historic parcel which was identified and surveyed during a previously completed boundary adjustment (SAL00113) between 10912 Kitchen Road and 11014 Kitchen Road. The applicant now wishes to relocate this parcel to the south west corner of 10912 Kitchen Road in order to construct poultry barns within close proximity to the existing agricultural buildings on 10912 Kitchen Road.

Discussion ensued regarding a previous boundary adjustment application in 2018 with respect to 11014 and 10912 Kitchen Road; however, staff noted 11014 Kitchen Road is not included in the current proposal. Members noted the proposed lot will be better situated in the southwest corner of the site as opposed to the middle.

**5. NEW BUSINESS (continued)**

Moved / ) That the Agricultural and Rural Advisory Committee supports the proposed boundary  
Seconded ( adjustment within the Agricultural Land Reserve for properties located at 10901 and 10918  
Kitchen Road and recommends Council forward the application to the Agricultural Land  
Commission “with support”.

Carried Unanimously

As part of the Committee’s rationale, it was noted that relocating the 0.2ha lot from the centre of the site to the south end of the area will result in a more efficient lot alignment to maximize agricultural production on the properties.

Chair Chris Kloot withdrew from the meeting at 3:16 pm declaring a potential conflict of interest as the applicant with respect to the following application BP034606 - 48987 Chilliwack Central Road is a family member.

Steve Saccomano, Community Member, withdrew from the meeting declaring a potential conflict of interest with respect to the following application BP034606 – 48987 Chilliwack Central Road due to potential business relations.

Chad Kloot, Dual Kloot Construction, was present.

**d) BP034606 - 48987 Chilliwack Central Road**

The Planning Department has received the above-noted Building Permit application for a proposed horse barn to review for conformance with the Necessary Farm Use Structures in the ALR Guidelines (the "Guidelines") as the subject property is located within the Agricultural Land Reserve (ALR), the property is subject to Agricultural Land Commission (ALC) regulations.

Discussion ensued with respect to Farm Status for the property which is included within the Guidelines to determine the overall need for an agricultural building. Members commented regarding the size and usage of the proposed structure and options available as outlined in the Staff Report.

Moved / ) That the Agricultural and Rural Advisory Committee confirmed this proposal does not comply  
Seconded ( with the Agricultural Land Commission’s Necessary Farm Use Structures in the ALR  
Guidelines.

Carried Unanimously

As part of the Committee’s rationale, it was noted that as the property does not have farm status or clear agricultural operations occurring on site and the building could easily be converted for residential purposes, the proposed structure does not comply with the specific criteria as outlined in the ALC’s Necessary Farm Use Structures in the ALR Guidelines.

Chair Kloot and Steve Saccomano returned to the meeting at 3:22 pm.
